

## *Automatic Recall...*

Easily redial your last caller even if you didn't answer.

How to use Automatic Recall:

1. Lift the handset and listen for dial tone.
2. If you were already on the phone and ignored a call-waiting tone, press and quickly release the "switchhook".
3. Press \*69. (On a rotary phone, dial 1169.) If the line is idle, the call will be completed.

If the line is busy:

4. Hang up. Your phone will keep trying the line for up to 30 minutes.
5. A special callback ring alerts you if the line becomes free.
6. Lift the handset to automatically be connected to the called party.

To cancel your Automatic Recall request, Press \*89. (On a rotary phone, dial 1189.)
