

## *Selective Call Forwarding...*

You decide which callers should follow you to another number.

How to use Selective Call Forwarding:

1. Lift the handset and listen for dial tone.
2. Press \*63 (On a rotary phone, dial 1163.)
3. An announcement will tell you whether the feature is turned on or off and how many numbers are currently stored.
4. Follow the recorded instructions to turn Selective Call Forwarding on or off.
5. Additional instructions will tell you how to:
  - Change the 'Forward To' number.
  - Review the numbers on your list.
  - Add a new number to your list.
  - Remove a number from your list.
